

SEMBRANDO DAHLIAS IMPACT

OUR MISSION:

Our program aims to provide a secure space for low-income students of Mexican descent to delve into their cultural identity through a high-quality Mexican folk dance and educational program. Altogether we will be able to promote diversity within our community by cultivating cultural pride to those who are of Mexican descent and cultural awareness to those who come from all backgrounds.

Our Impact

88 %

increase in knowledge to stay active and healthy

86%

increases in connection and awareness of Mexican Culture

65%

Increase of emotional intelligence through dance lessons

Testimonials

SAMANTHA

"The topic I most valued was our traditions"

YANELY

"It was so much fun because I got to dance with my friends"

JAYLEEN

"It taught me new things to learn and I love how we wear skirts and shoes"

PARENT

"My daughter love folklórico now. I am so happy she is able to experience it and learn it for herself!"

Over the summer we taught a **free Folklórico educational curriculum** to 3 programs that catered to low-income Latinx students. Reaching **95 students**, we shared the **dance of their ancestors**, teaching a **medium to cherish** and connect to their **cultural roots**.

SAFE SPACE

We provide a safe community where students build the courage to share their courage and take risks through vulnerability

CULTURAL AWARENESS

We promote diversity within communities teaching students about different cultures through Folklórico.

HEALTH

Our Folklórico Classes aim to teach students how to improve on both their mental and physical health.
